ANNUAL REPORT
2015-2016

MISSION

Notre Dame High School, a ministry of the Sisters of Mercy, seeks to prepare students for college by providing a challenging academic environment that stimulates students intellectually, physically and spiritually, in a community that respects a diversity of backgrounds and perspectives, thus inspiring life-long learners, critical thinkers, and compassionate, responsible citizens of the world.

VISION STATEMENT

Sponsored by the Sisters of Mercy, Notre Dame High School will thrive as a faith-based regional college preparatory school providing a comprehensive and challenging educational experience based on best practices that develop the whole person. Notre Dame High School will prepare students to actualize their potential and become morally, socially and globally responsible adults in a safe, inclusive and diverse setting where individuals show compassion and respect for others. Notre Dame High School will enjoy the support of all of its various stakeholders, including alumni, parents, students, faculty, administration, staff, businesses, area colleges and the religious community, in order to provide a lasting legacy of Mercy education.

NOTRE DAME PHILOSOPHY

The formation of students is dynamic in nature. The religious dimension of the school is integrated into the general education of the students. Teachers create a positive and supportive climate and students are encouraged to be active agents in their own development. Emphasis is placed on the priorities of human life and the understanding of continuity between the past and today's culturally diverse society. This focus fosters awareness in regards to the need for social justice in the world, and a personal commitment to alert, responsible and active citizenship.

As educators, we recognize the urgency to nurture our students into healthy, faith-filled peacemaking adults who will not only function in, but also provide stability and morality in a technologically driven 21st century, which will be marked by innovation.

A Message from the Board of Trustees

Catherine McAuley the Foundress of the Sisters of Mercy, devoted her life to provide for the poor and uneducated. Women of perseverance and strong faith followed her in her mission to improve the quality of life for those in need. Catherine lit the torch that today is carried by those who continue work to provide for others through the ministries of the Sisters of Mercy.

Notre Dame High School espouses the values of Catherine. Notre Dame's mission is to educate and prepare young men and women, developing their competencies and sound principles to meet the changes of the 21st century.

We, as alumni, parents and friends of Notre Dame are stakeholders who have benefited from the outcomes and traditions; evidently witnessed by our experiences at Notre Dame and by our own successes and achievements that we have made in life.

Your support of Notre Dame through the Annual Fund will assure that the light that Catherine McAuley lit will continue for generations to come. Let me remind you that it is our responsibility to invest in the future of Notre Dame by citing its motto, **"Ego Sum Lux Mundi"** (I am the light of the world).

Vincent Moschetti'72
Board of Trustees Chairperson

A Message from the President

Dear Friends of Notre Dame High School,

On the jacket of Mattie Stepank's fourth collection of poetry is a "joyful thank-you" for life. In *Celebrate through Heartsong*, Mattie tells us that there is always a reason for happiness – whatever one's circumstances, Mattie sees that to live life fully, one must celebrate life, every day in some way.

The 2015-2016 school year was one of continuous celebration. We celebrated with many associated with the school as well as everyone in the school. This includes our friends and benefactors, our faculty and staff, our students and graduates.

- We celebrate our friends and benefactors as we see our gifts and donations continue to grow and multiply. Your generosity has resulted in \$321,491 for the Annual Fund and \$54,368 to the Boiler Fund helping to support operations, enhance scholarships and pay for our boiler and upgrades in the heating system.

- We celebrate our faculty and staff – a dedicated and committed group who work tirelessly to serve our students. We celebrate their achievements in the classroom and thank them for the extra time they devote to our students. By attending workshops, adapting to new technologies, tutoring and moderating activities they grow in their profession. We are especially proud of Coach Steve Weber for achieving 400 victories as our softball coach and applaud Scott Deming for earning the Jefferson Award for his generous and extensive work with our Robotics team.

- We are celebrating our students and their many achievements in the classroom, on the athletic field, in the music room and on the stage. In the classroom Natalie Farr'16 and Lennon Zheng'16 received awards for their photography.

- On the athletic field we cheered our State Championship teams in Boys Soccer and Softball, our State Champion Runner Up in Girls Soccer; for being recognized as a School of Distinction for Academics; for the many good sportsmanship awards earned by our teams, for Alec Cutler'16 who was among the NSCAA High School Scholar All-American Soccer

Players, for Olivia Clark'16 who was named NYS Player of the year for Softball, and the many hours of practice to hone athletic skills from our modified teams to our varsity level.

- We salute the members in the music department who performed at the Heritage Music Festival in Washington D.C. where the Choir earned a gold rating and an invitation to perform in March 2017 at Carnegie Hall. The Jazz Band and Concert Band earned silver and Victoria Schutrum'16 was given the Ovation Award.

- We applaud our thespians for their sold out musical production of *Cinderella* in the fall and the successful production of Neil Simons "*Lost in Yonkers*".

- We are grateful for our students who serve the community and make a difference with their service in the Soup Kitchen, at the Foodbank, with the residence at Woodbrook and the grades at Diven Elementary School in the Elmira City School District. They have been the face of Mercy to many.

- Finally we celebrate our Olympian, Molly Huddle'02 who travelled to Rio and earned 6th in the 10,000 meter race. All eyes in Elmira were glued to the TV on Friday, August 12, 2016.

It is your generosity and support that fueled our celebrations. We thank you and count on your support as we continue our journey to excellence in the tradition of Catherine McAuley and the Sisters of Mercy who sponsor Notre Dame High School.

With Affection,

Sister Mary Walter Hickey, RSM

Legacy of Caring Campaign

We gratefully acknowledge our donors to the *Legacy of Caring Capital Campaign*. As we continue our journey into the future, your gifts are vitally important to our school and your generosity is the hallmark of our success. Your contributions support Notre Dame's mission to prepare young men and women to become educated, strong, value-centered, world citizens making the dream of our Mercy Foundress, Catherine McAuley come alive.

Your endowments have helped us make major upgrades to our facilities in three major areas- the auditorium, the athletic fields and the new boiler. The installation of new valves and thermostats for a comfortable learning environment, as well as, technology upgrades are yet to be completed.

Notre Dame High School maintains a standard of academic excellence and continues to pursue the necessary funds to support professional development for faculty and the recruitment & retention of quality teachers. These essential programs would not be possible without your willingness to help.

Words of appreciation cannot adequately express our gratitude however, we send a hundred thousand thanks to the supporters of the Legacy of Caring Campaign which has raised nearly five million dollars.

Notre Dame High School 2015-2016 Annual Giving Donors

Annual tuition accounts for approximately 60% of the full cost of educating a Notre Dame student. Much of the difference is made up through gifts to the Annual Fund. The donations made by each of the following benefactors prove their support financially, but their contributions are greater than that. Notre Dame students are successful because of the support they receive from the entire school community.

Your generosity helps prepare each student for a successful future. We are truly grateful for your support and belief in the value of a Notre Dame education.

Donor Restricted Donations

Gifts to Notre Dame may be designated by the donor to be used for specific purposes. For example, gifts may be restricted to a specific department, sports team, or academic club or you may choose to restrict your gift to one of our scholarships or financial aid funds. Making your annual gift to a specific fund allows the donor to choose the impact their contribution will have on Notre Dame High School.

Opportunities for Giving

*Every gift supports the margin of excellence that defines Notre Dame High School.
Our students are the direct beneficiaries.*

Gifts of Cash

This gift is usually made by credit card or check payable to Notre Dame High School and is tax deductible to the extent permitted by law. Donors may find that they are able to increase the size of their gift by extending payments on a monthly or quarterly basis until the end of the school's fiscal year.

Gifts of Appreciated Securities

Publicly traded stocks that have appreciated in value and have been held for more than twelve months offer two advantages: First the donor pays no capital gains tax on the appreciation in accordance with the tax law changes in 1997; and second, the full current market value qualifies as a charitable contribution deduction.

Honor and Memorial Gifts

Gifts may be given in honor or in memory of a specific individual or loved one. When a commemorative gift is received, the Office of Advancement notifies the honoree or the family of the deceased.

Matching Gifts

Matching gift programs boost your contribution and provide strong dollar support by doubling or even tripling donations. Corporate matching gifts offer an exceptional opportunity for you to substantially increase your gift to our campaigns and help us to reach our goals.

Planned Giving

In the life of schools, Notre Dame is still young, but it is important to plan for its future. One of the best ways for you to help us ensure Notre Dame's longevity and map its future is through Planned Giving.

A planned gift is any major gift made in a lifetime or at death as part of a donor's overall financial and/or estate plan. Planned giving often allows individuals to make larger gifts than they could make from their annual income. By making a planned gift to Notre Dame you can make a difference.

These planned gifts include gifts by will, gifts which pay your income, gifts that protect your assets, gifts from retirement plans, gifts of life insurance, gifts by estate note. Gifts by Will are a type of bequest that may be for a specific sum, or for a specific percentage of an estate, the residue of an estate, or on a contingent basis. The estate will receive a charitable deduction for the value of the gift passing to Notre Dame High School.

Unrestricted donations are the most useful type of gift. This allows the funds to be allocated by Notre Dame wherever the need is greatest. With a restricted donation you may designate that a gift supports a special purpose.

If you intend to include Notre Dame High School in a will or a trust, or would like to discuss options regarding a gift please call Sister Mary Walter Hickey, RSM at 607-734-2267 or Attorney Steve Agan'79 at 607-734-2271.

Joel Stephens Memorial Park

Cobblestone Blocks are available to purchase for \$500 each. The park is located at the south end of the school. Contact the Advancement Office for more information.

McAuley AWARD 2015

Mr. John Olisky has been a teacher at Notre Dame High School since 1981. His warmth, compassion and thoughtfulness as well as his energy bring life to his classroom and Notre Dame. Catherine McAuley salutes him as a Mercy educator.

Mr. Tom Santulli'67, Chemung County Executive, is a true servant leader. As a civil servant he cares deeply about our community and the needs of others. The Notre Dame community is proud of his generous service and Catherine McAuley is proud of his work.
